Push is on for local VA Clinic

by Dan Sanderson
Staff Writer

Crawford County leaders are urging local officials and community members to band together to bring a Veteran's Administration (VA) Clinic to the community.

Dave Stephenson, chairman of the Crawford County Board of Commissions, has met with district representatives for Sen. Carl Levin and Sen. Debbie Stabenow, D-Mich., in order to find a suitable place for the clinic. The clinic would serve the elderly veterans in the community and new veterans coming home from Iraq and Afghanistan, avoiding having them to travel to other regional facilities for medical attention.

Stephenson said local officials need to keep federal officials' feet to the fire on committing to property or a building in Grayling. If a site cannot be found, Stephenson said Grayling would be dropped from the communities eligible for the clinic. It would take another legislative session, which is up to one year, to put Grayling back in for a clinic.

Stephenson said the dividends would be huge as far as bringing in medical professionals and increasing property values for municipalities where new housing would be built.

"We may have some options as a county or as a community that we can offer them," he said. "I think if we can exercise those options, we need to look really hard at that. It would be a huge thing for this community to lock this in."

From April 1911 to April 1916, Mercy Hospital Grayling had 38 obstetrics cases total. From May 2006 to May 2011, the hospital has seen 1,496 obstetrics cases. From January 2011 to May 2011, 330 babies were born at the hospital, an average of two babies per day.

In 2004 Mercy Hospital Grayling renovated its Obstetrics department to include the creation of four private Labor-Deliver-Recovery-Post-Partum rooms with private restrooms and show-

ers, a new nursing station, a nursery and infant treatment area and an expanded family waiting area that became the Maternal/Newborn department.

Prior to 2004, the last structural changes to this unit took place in 1950.

Grayling Visitors Bureau upgrades website's look

by Dan Sanderson
Staff Writer

The Grayling Visitors Bureau recently debuted a new look for its website to help draw tourists to the community, promote attractions and quickly place information at the fingertips of viewers.

Illene Geiss-Wilson, executive director for the Grayling Visitors Bureau, said the new look for the website has been in works for about six months. The address for the website is grayling-mi.com

The Grayling Visitors Bureau contracted with Harmonie Ponder, the owner of Ponder Consulting, to give the website a face lift.

"It was getting dated and we just needed a new look," Geiss-Wilson said.

In addition, Ponder made it easier to navigate on the website. Finally, Ponder enchanted the search engine optimization for the website, which allows people speedier answers to information and questions they have about Grayling and Crawford County.

The website provides links and information on upcoming events and information about about the AuSable River and Manistee River, snowmobiling and skiing and current weather conditions. Website users are also able to sign up to receive updated information via Facebook and Twitter.

The website has links to area points of interest and tourism related businesses. Information about the AuSable Artisan Village and other art related events will also be promoted through the website.

"It's going to have all the places in town that are selling art, the art galleries and the outside murals that are in town," Geiss-Wilson said.

Geiss-Wilson praised Ponder for helping upgrade the website.

"Anybody can make a website, but you have to have training to have a good website," Geiss-Wilson said. "That's our goal is to have a better website and attract more traffic to it."

Eventually, the website will be formatted so it can be accessed by cellular phones and Apple iPads.

From Aug. 1, 2010 to March 9, 2010, 23,407 people visited the website. From April 9, 2011 to May 8, 2011, 2,330 people visited the website, indicating that the new website is on pace to gather more visitors. Geiss-Wilson noted that spring is slow, when people are traveling to warmer climates, while more visitors are seeking information during the snowmobiling, skiing and summer seasons.

"Spring is slow," she said. "Summer and snow seasons are when we see the higher numbers."

Along with giving the website a new look, local tourism officials and business owners have their fingers crossed that gas prices will continue to decrease and Mother Nature will bring favorable weather to the region.

"Hopefully, the price of gas will bring more people up here because they're not going to travel as far, and hopefully Artisan Village will bring more people to town," Geiss-Wilson said. "Good weather would be plus."

Local Fraternal Order of Police Lodge recognized

by Dan Sanderson
Staff Writer

The AuSable Fraternal Order of Police Lodge (FOP) #189 in Grayling recently marked two events to put the organization on the map.

The lodge in Grayling was founded in 2007. The lodge gives Grayling Police Officers, Crawford County Sheriff's Deputies and Corrections Officers, Michigan Department of Natural Resources Conservation Officers and Michigan Department of Corrections Officers and retired law enforcement officers a place to gather and support each other. It also gives the community a better way to keep in touch with its law enforcement officers and provides outreach programs for the officers.

The lodge includes about 60 members and meets in the Grayling Industrial Park.

Earlier this month, the lodge inducted U.S. Army Military Police Officer Pvt. 1st Class Sean Coe. Coe is the first member of the Military Police to join the lodge since its inception.

"Since our lodge has been formed, we've gotten a great deal of support from the folks at Camp Grayling," said Dennis Long, a trustee for the lodge and a retired Grayling City Police Officer. "It's nice for Military Police to support our local lodge, but it is also an honor to have an active Military Police officer become a member,

too."

Coe is the son of Patti Coe and Tim Coe, a Grayling City Police Officer and past president of the lodge.

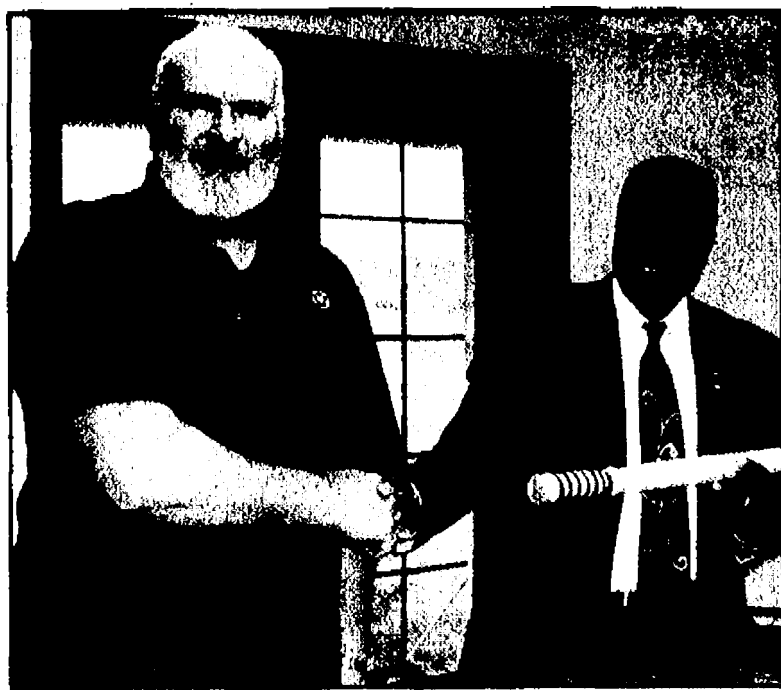

Coe graduated from the Immanuel Baptist School in Higgins Lake in 2010. He completed the Military School at Fort Leonard Wood, Mo. in April, and is currently deployed to Germany.

Also, Detective Harold West, the FOP Michigan State Lodge president, recently paid a visit to the lodge.

FOP membership includes approximately 12,000 members in Michigan and 320,000 members nationwide. The organization acts as a bargaining unit when contracts and benefits are being negotiated with the communities the police officers serve. The FOP acts on police officers behalf when legislation is being considered in Lansing and Washington, D.C.

Long said West was intrigued to meet members of one of the newest FOP lodges in the state, to hear about Coe joining the lodge and wanted to learn more about their work with the Crawford County Commission on Aging (COA).

West, a 35 year veteran of the Kalamazoo Public Safety Department, was given a ceremonial police batons for his years of dedication and service to the FOP. The ceremonial police batons are manufactured by members of the lodge. They are given to officers who receive service awards or upon their retirement.

"Police batons have evolved over the years but they have always been part of a police officer's uniform," Long said. "We hope to continue with this project for years to come in

Manhunt ends with arrest

by Dan Sanderson
Staff Writer

State and federal police units arrested a South Branch Township man early Tuesday in the Detroit area following a four-day manhunt.

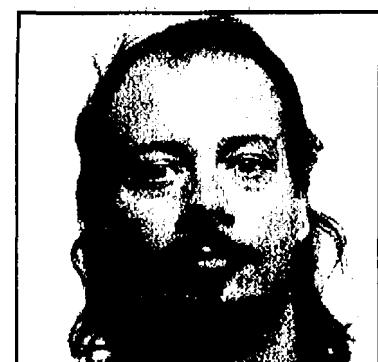

In the early morning hours of Tuesday, May 24, 2011, the Detroit Michigan State Police Fugitive Team, Michigan State Police Technical Services and United States Marshal's Office apprehended Avery Robert Parker in a Detroit neighborhood. The professional hard work of these agencies and Deputies of the Crawford County Sheriff's Office made the arrest possible, said Crawford County Sheriff Kirk Wakefield.

Crawford County Sheriff's Deputies began the manhunt

for Parker, who allegedly held a South Branch Township woman against her will and sexually assaulted her, on Friday.

Wakefield said that in the early morning hours on Friday, May 21, a 47-year-old South Branch woman was forcibly held against her will and was repeatedly sexually assaulted in her residence. The woman, whose name is not being released, eventually escaped from her attacker and fled into a wooded area near her home where she wandered for several hours before coming to the residence of a local man who called for help.

Wakefield said Parker was considered to be extremely dangerous, but was arrested by police without incident in Detroit.

Avery Parker

Parker will be transported to the Crawford County Jail, awaiting charges on six felony counts ranging from criminal sexual conduct first-degree to unlawful imprisonment and aggravated domestic violence.

"I want to thank the media, the citizens of Crawford County and the surrounding areas for their help and attention to this most serious criminal event," Wakefield said.

Push is on for local VA Clinic

Continued from Page 1

Stephenson said rumors have been circulating about where the VA would locate, including property owned by the federal government by the Grayling Army Airfield.

"It's been from that end of town to all over the place," he said.

VA Clinics don't need to be placed on government owned property since clinics currently under construction in Cadillac and Cheboygan are on land owned by a private real

estate developers. The federal government, however, prefers to see at least a five-year lease in place before

construction of a clinic moves forward.

"We can't afford to lose this," Stephenson said.

Almanack

by Richard Milliman

Mapmaker, mapmaker, draw up a map...

(Writer's Note: Michigan lawmakers soon will come up with plans to reapportion state House and Senate districts according to the 2010 census. Putting together thoughts for comment on this year's redistricting procedure, I reviewed what happened 10 years ago after the 2000 census, and read again the Almanack that appeared on June 25, 2001 shortly after the Michigan House acted on a then-new reapportionment. Since then, not much has changed, although most of the characters involved, except for one notable exception. I still feel the same about what's about to happen, so repeated here is that 2001 column. The more things change, the more they remain the same.)

IN THE VENERABLE Broadway musical "Fiddler on the Roof," three unmarried daughters of a beleaguered Tevye dance around the stage pleading in song that Yenta, the village matchmaker, would "make us a perfect match."

But as Yenta advised her clients in "Fiddler," she did the best she could with what she had to work with.

Alas, there is no such thing as perfection — on Broadway, in real life, or in the more banal existence of partisan politics.

Politicians all over the country are at their drawing boards, trying to put together new districting plans for state legislatures and the Congress in accordance with results of the 2000 census.

It's not easy to come up with plans that will please everybody, even if the politicians tried.

Fairness and universal happiness are mostly out the window when it comes to re-districting. Partisan advantage is the order of the day.

Of course, there are certain legal guides which must be observed — such as districts that are concise and compact, with roughly equal numbers of residents, and perhaps a few more. But beyond that, it's raw politics.

AND SO IT was as Michigan Republicans dropped their first districting shoe last week in the state House of Representatives, with a plan designed to increase Republican chances to win a half-dozen more seats in the state house.

The plan passed on a straight

party line vote, after the ruling Republicans popped their plan into the hopper, permitted time for only limited debate, provided no maps, then took the vote, all in the span of a few hours.

Democrats howled, of course, about both the method and the result.

They were justified in howling about the method, but the result should have been expected.

"This is pure party politics," cried Mark Brewer, state Democratic party chair. (Note: Mr. Brewer still has the same job.)

Of course it was, and it will be more of the same as the legislature plows ahead to redistrict the Senate and Michigan congressional seats, too.

The real complaint of Mr. Brewer and his partisan colleagues is that it's pure Republican party politics and not pure Democratic party politics. If they could, Democrats would do the same thing.

WITH REPUBLICANS in firm charge of the legislature as well as the governor's office — and with Republican sympathies dominating the state supreme court — pre-

cious little stands in the way of the GOP working its will on re-districting in Michigan this year.

There's not much Democrats can do about Michigan districting except to try to work behind the scenes for little favors here and there while posturing in public — and keeping a wary eye on the details to try to find some GOP flaw so they can challenge the results in federal court.

That's the way the game is played.

For most voters, the whole question of districting is ho hum. To most voters, it doesn't make a lot of difference. Wherever the district lines fall, they will have representation. They may have a new legislator, but someone will be looking after their interests.

But to the politicians, districting is vital — especially for state legislators who want to run again, or congressmen who want to stay in office.

Where they will run is important. They don't want to have to develop new networks, work out new campaign teams, find new money sources.

In the meantime, it's a case of "mapmaker, mapmaker, make me

a map" — but don't expect a perfect one. There is no such thing.

* * *

(Another note: That 2001 column closed with some humor. We probably need humor now more than we did 10 years ago, so also repeated are those 2001 closing quips. I still think they are funny. Humor endures.)

LEGION LAUGHS — Some closing musings culled from *American Legion* magazine:

— They say you can catch more flies with honey than with vinegar, but who wants a lot of flies?

— He who laughs last probably had to have it explained to him.

— If the world is getting smaller, why do we keep paying more to send a letter?

— Modern prayer: God, grant me patience, and I want it right now.

— Many politicians leave office because of illness and fatigue ... voters become sick and tired of them.

The Cold Sweat Sports Series is a Grand Rapids based company that organizes and hosts a large variety of events around the Midwest from skateboarding competitions, snowboarding and skiing expeditions and snow rally car racing to make the best of the short seasons in the region.

An admission fee of \$5 will be charged to everyone who attends the event.

Music will begin at 11 a.m. Registration and a

meeting will also be held at 11 a.m. with skaters and BMX cyclists to go over the events for the day.

An open shred competition will be held from 11 a.m. to 1 p.m.

A street style expedition will be held at 1 p.m. and prize packs will be given to contestants.

Contest awards will be presented at 2 p.m.

"We hope everyone will come out and enjoy the fun on Memorial Day weekend," said Mike Shearer, a Grayling resident who spearheaded development of the skate park along with youth, city officials and civic leaders.

Palmitier's selected as April Spotlight-a-Member

Palmitier's Log Cabin on the Holy Waters (pictured above) received the Grayling Regional Chamber of Commerce Ambassador's Club Spotlight-a-Member Award for May.

Palmitier's Log Cabin on the Holy Waters was selected as the Grayling Regional Chamber of Commerce Ambassador's Club Spotlight-a-Member Award for May.

"We were drawn to this cabin because of the legendary fly-fishing on the AuSable River," said owners Randal and Audrey Palmitier. "Our primary home is in Grand Rapids and, although we spend as much time at the cabin as possible. We've also enjoyed sharing it with renters over the past year. All our guests have been very respectful of the cabin and appreciative of the beautiful river setting."

"We offer quality lodging on a beautiful stretch of the Holy Waters, a fly only, catch and release section of the Au Sable River," said Palmitier. "Our cabin is fully appointed with quality furnishings, appliances, linens and more. No other cabins are visible from our dock, just the river and the wildlife."

The house that was originally on this property burned to the ground in the fire of 1990 and our log cabin was subsequently built on the

former home site.

Palmitier's Log Cabin on the Holy Waters became a chamber member in Dec. 2010.

The Bible Speaks

Love & Life

The second law of love fulfilled in Romans 13:8,9 is to promote and protect the life of human beings from murder. "8Owe no man any thing, but to love one another: for he that loveth another hath fulfilled the law. 9For this, Thou shalt not commit adultery, Thou shalt not kill..." "10Thou shalt not kill" is found in the 10 commandments in Exodus 20:13 and in Deuteronomy 5:17. Liberals interpret these words as promoting pacifism and vegetarianism. Jesus interpreted these words correctly in Matthew 19:18: "18He saith unto him, Which? Jesus said, Thou shalt do no murder, Thou shalt not commit adultery, Thou shalt not steal, Thou shalt not bear false witness," 19Honour thy father and thy mother: and, Thou shalt love thy neighbour as thyself." Murder is the total absence of love toward another human being.

"Thou shalt not kill" does not mean we should let convicted murderers live. "The same God who said "Thou shalt not kill" also said in Genesis 9:5,6: "And surely your blood of your lives will I require; at the hand of every beast will I require it, and at the hand of man; at the hand of every man's brother will I require the life of man. 6 Whoso sheddeth man's blood, by man shall his blood be shed: for in the image of God made he man."

God made a distinction between killing humans and killings animals as the property of others in Leviticus 24:21: "And he that killeth a beast, he shall restore it: and he that killeth a man, he shall be put to death." God reminded us in Exodus 21:19 that people who own animals as property are responsible for their actions: "But if the ox were wont to push with his horn in time past, and it hath been testified to his owner, and he hath not kept him

in, but that he hath killed a man or a woman; the ox shall be stoned, and his owner also shall be put to death."

Just as adultery begins not with a physical act, but with lust in the eyes and heart, so also murder begins the same way as Jesus taught us in Matthew 5:21,22: "Ye have heard that it was said by them of old time, Thou shalt not kill; and whosoever shall kill shall be in danger of the judgment: 22 But I say unto you, That whosoever is angry with his brother without a cause shall be in danger of the judgment: and whosoever shall say to his brother, Raca, shall be in danger of the council: but whosoever shall say, Thou fool, shall be in danger of hell fire." Jesus tells us where murder starts in Matthew 5:21: "For out of the heart proceed evil thoughts, murders, adulteries, fornications, thefts, false witness, blasphemies";

Jesus named Satan in John 8:44 as the father of murders: "Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it." Our Declaration of Independence laid one foundation of our nation upon the unalienable right of life as a gift of our creator God. Historical revisionism has systematically removed and replaced our Creator God and our unalienable rights with a growing culture of so called "rights" choice for death for babies, the elderly, and the disabled. Abortion, euthanasia and suicide are not rights, but human wrongs. Pastor "B"

In Memory of

In loving memory of our mom, Linda M. Decker, who passed away two years ago May 28, 2009.

Mom, if tears could build a stairway and memories were a lane, I would walk right up to Heaven to bring you home again. No farewell words were spoken, no time to say goodbye, you were gone before I knew it and only God knows why. My heart aches in sadness and secret tears still flow, what it meant to lose you, no one will ever know.

Sadly missed by daughter, Rose Gildner sons, Tim Decker, Leroy Decker, grandchildren and and great-grandchildren

Grayling Community Survey results released

The Crawford County Economic Development Partnership in conjunction with Central Michigan University students conducted a community survey during the last three months.

A total of 367 respondents completed the Grayling Community Survey, which measured the knowledge and opinions that residents possess regarding Grayling's current state, community organizations and general demographics.

Survey respondents reported that Mercy Hospital Grayling, outdoor recreational activities, the

AuSable River, Camp Grayling and the proximity to major highways were Grayling's best features and contributed the most to the economic growth of Grayling. In addition, most respondents felt that the economic state of Grayling had gotten worse over the last 10 years. Furthermore, most reported that they were dissatisfied with current community, business and political leadership.

Along with opinions, the survey measured resident participation within the community.

Of the 367 respondents, 62.7 percent reported to have volunteered in a local

volunteer or community project within the last two years. In addition, 24 percent of respondents reported being a current member of a community organization. While most respondents did not think the residents of Grayling were open to change, a majority of respondents felt that residents were willing to cooperate with one another to improve the community.

Many residents were found to have misperceptions of the current state of Grayling. A majority of survey respondents overestimated the decrease in population in Crawford County. Over 60 percent of

respondents reported that the population had decreased by greater than five percent, even though the population has only decreased by less than two percent. Nearly 42 percent of respondents also overestimated the increase in unemployment in Crawford County.

Furthermore, most respondents incorrectly identified ages 55-64 as the largest age bracket in Crawford County, while the most populated age bracket is actually ages 45-54.

A complete report of the findings from the community survey can be viewed at graylingchamber.com.

Baseball team wins 19-4, 19-0 vs. Hornets on Friday

Varsity squad moves to 17-5 overall, 8-3 league

The Grayling Vikings scored 38 runs in a varsity baseball doubleheader vs. the visiting Harrison Hornets on Friday, improving the squad's season record to 17-5 going into the final week of the regular season.

Grayling finished both games early, ending them at two-and-a-half innings. The Vikings won 19-4 in game one. Zach Wolcott (7-1) picked up the win in the contest and Luke Schneider had his first performance on the mound, recording strikeouts for both outs in the third.

The Vikings posted a 19-0 shutout in game two. Jensen Aubry (4-2) was the winning pitcher for GHS.

Aubry had a home run in the first game and Ethan Lewis had a grand slam in the second game.

"Our bats were on fire tonight and we made the adjustments needed to win," Coach Bret Krabill said. "Each player had a hit and an RBI in the doubleheader. What we did today was impressive. We played our kind of ball and hit the ball. We need to be playing the right way as districts approach. Hopefully this is a sign of things to come and that we are peaking at the right time."

On Friday, May 13, the Vikings won two league games vs. Traverse City St. Francis in a series played at GHS.

The Vikings won 15-5, 12-2 vs. the visiting Gladiators.

"Today we played great ball. Jensen and Zach pitched great for us today.

We played all-around good baseball. Although we started slow, we came back and did what we needed to do.

Riley Zigila, (Jensen) Aubry, and Jake Helsel hit home runs and every player had the chance to play. We are coming around as a team and look to continue on improving," Coach Krabill said.

Grayling split a series at Cheboygan on May 12. Both games were decided by one run.

The Chiefs edged the Vikings 6-5 in extra innings in game one.

"Riley Zigila went the distance in the loss but pitched a great game. This was a clean game with few mistakes. We were able to put up a run in almost every inning. Both teams played well defensively and the top and middle part of the order continued to produce," Coach Krabill said.

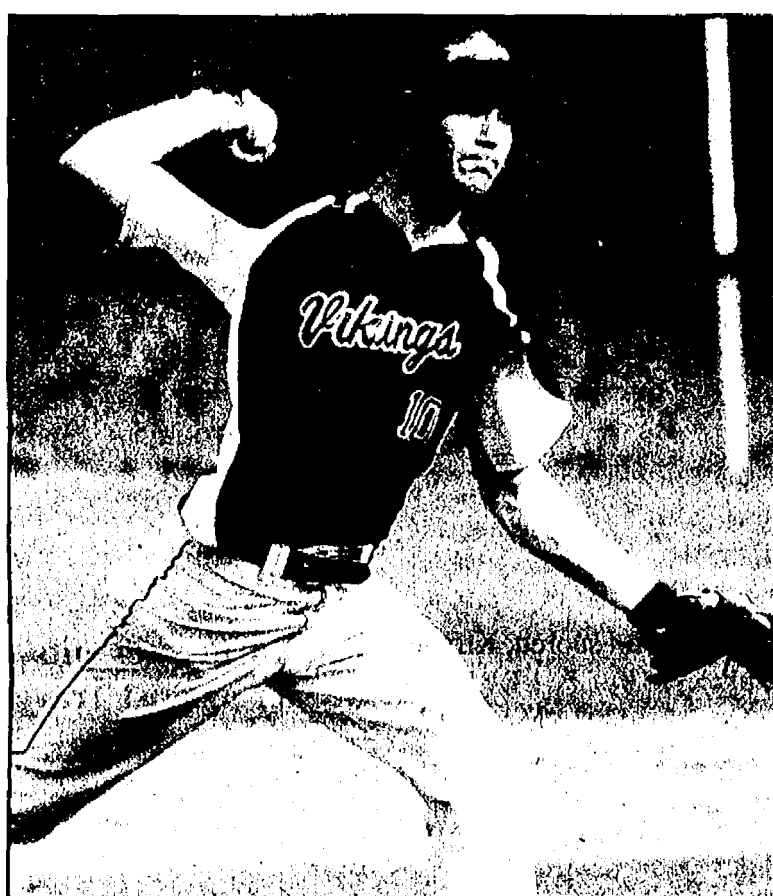

The Vikings rebounded with a 3-2 victory in game two.

"(Ethan Lewis) went the distance and with the exception of one inning kept the hitters off balance and threw a lot of strikes. The only runs scored came in the second inning for both teams. What we saw today were two good teams playing good baseball," Coach Krabill said.

On Tuesday, May 10, the Vikings posted a split at Kalkaska - the contest was actually played at Rapid City's Heritage Park near Kalkaska - in a league doubleheader.

The Blazers took game one 10-5.

Riley Zigila hit a home

run for the Vikings.

"We competed with a quality team today; however, we made seven errors that led to seven unearned runs. Zach Wolcott pitched a great game for us and did what we needed him to do. We let a very important game go because we weren't sure if we could compete. It was nice for us to get five off of their stud pitcher. It also allows us to see where we need to be as we wrap up league and get ready for districts," Coach Krabill said.

GHS won 3-2 in game two.

"Jensen Aubry threw his best game as a varsity pitcher. It was nice for us to get a win against a ranked team. We played solid defense and (Jensen) Aubry, Jake Helsel, and Ethan Lewis helped push the offense. We played

the kind of ball that we needed to in order to win games. We need to get mentally ready much sooner and eliminate mistakes early on in games," Coach Krabill said. "Last year these guys lost to Kalkaska three times. This year we split with them. We hope we get to play that third time because if we do it will be because we meet in the district finals."

Grayling (17-5 overall, 8-3 league) will play against Suttons Bay in a pre-district game at 4 p.m. on Tuesday, May 31. Kalkaska is hosting the District 67-B tournament, but the baseball games will be played at Rapid City's Heritage Park a few miles away.

Memorial Day, formerly known as Decoration Day commemorates U.S. Soldiers who died while in the military service. First enacted to honor Union soldiers of the American Civil War. It was extended after World War I to honor Americans who have died in all wars. It began as a ritual of remembrance and reconciliation after the Civil War, by the early 20th century, Memorial Day was an occasion for more general expressions of memory, as ordinary people visited the graves of their deceased relatives, whether they had served in the military or not.

Shanley Dorn runs in the 200m dash at regionals over the weekend.

Girls qualify for state track finals in two events

400m relay group, one sprinter place in top 3 at regionals

Four members of the Grayling High School girls track squad – Shanley Dorn, Aleeshia Allison, Stanna Dorn, and Samantha Hansen – qualified for the state finals over the weekend, posting a second place finish in the 400m relay (52.27) during Saturday's 15-school Region 30-3 meet at East Jordan. Sh. Dorn also qualified for the state finals in the 200m dash, placing third (27.02).

The Dorns (twin sisters) and Hansen were also on last year's 400m relay group that made it to the state finals.

The top two placements in each event at regionals automatically qualify for the state finals. Athletes can also qualify by reaching specific times/distances, which Sh. Dorn did in the 200m dash.

Other notable performances at Saturday's regional meet: 8th, discus, Richelle Grosskopf, 85'3"; 8th, 1600m run, Jo Hamlin, 6:01.31.

The GHS girls track team posted several solid finishes at Alma's Scottie Classic, a meet held on Wednesday that featured 25 teams. Grayling competed in the "medium school division."

"This is the best meet we attend all year and the girls really looked forward to going. With regionals coming up it also helps with the intensity of a big meet," Coach Tim Gariglio said. "The weather influenced the performance as it rained most of the day. The kids did a good job and stayed mentally strong all day."

Top finishes for the Vikings: Hansen, 5th, 100m dash; St. Dorn, 10th, 100m dash; Sh. Dorn, 2nd, 200m dash, 10th, pole vault; Hamlin, 12th, 800m run, 11th, 1600m run; Heather Petty, 17th, 800m run, 17th, 1600m run; Josie Swander, 14th, 300m hurdles, 7th, high jump; Sh. Grayling's 9th and 10th grade athletes competed in Ogemaw Heights High School's Falcon 9&10 Invitational on Monday, finishing third out of 12 squads in the "small schools division." The Vikings won two events.

Sh. Dorn placed first in the pole vault (7'6") and second in the 200m dash (29.16).

Grayling's 400m relay group – Allison, Benardo, Sh. Dorn, and St. Dorn – also finished first (54.98).

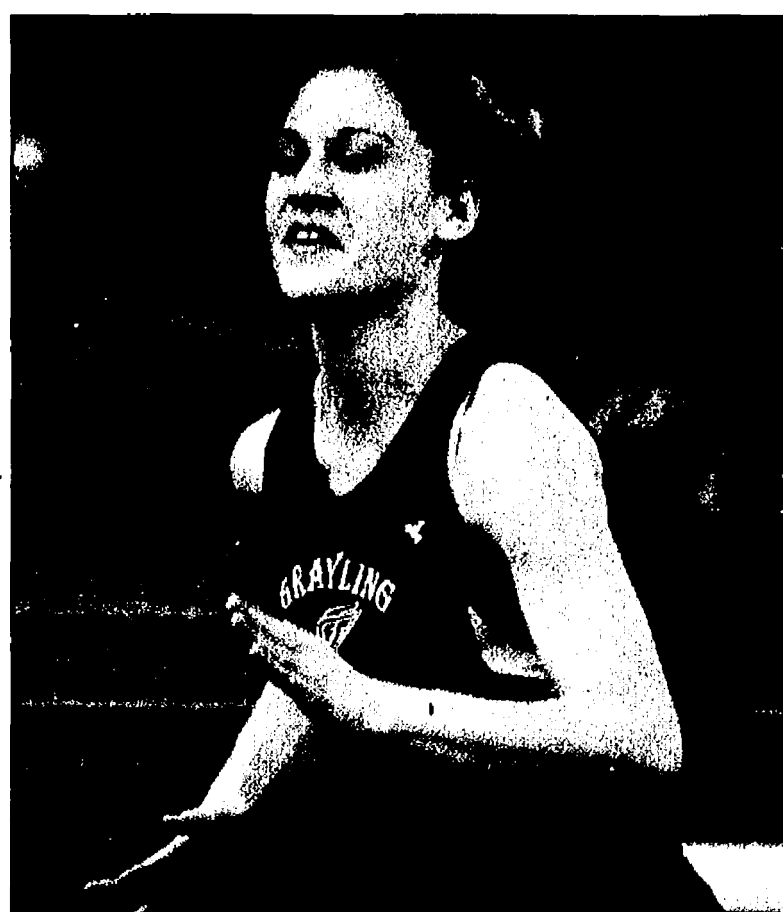

St. Dorn placed fourth in the 100m dash (14.17). Kaitlyn Leblanc finished seventh in the 200m dash (30.85).

Ervin took 12th in the discus (46'1") and 14th in the shot put (18'10"). Maddie Benardo took fourth in the 100m hurdles (21.73).

Hamlin and Petty took third and fourth, respectively, in the 1600m run (6:17.81, 6:45.77). Hamlin and Petty placed third and fifth, respectively, in the 800m run (2:47.00, 3:01.67).

Stanna Dorn competes in the 100m dash at East Jordan.

Sprinter finishes 3rd, 4th, just short of advancing

The GHS boys track squad, a group that's dwindled significantly in numbers from its preseason levels, competed in the Michigan High School Athletic Association's Region 30-3 meet at East

Jordan on Saturday, failing to secure any state finals berths.

Nick Dorn finished third (11.29) in the 100m dash and fourth in the 200m dash (23.09) during Saturday's regional meet, just missing a

spot in the top two (automatic qualifier) as well as falling just shy of timing criteria that could also have clinched a spot in the state meet.

Other top eight performances for GHS: 7th, 400m dash, Curtis Wilson, 54.58.

The squad had only seven athletes for Saturday's 15-team regional competition.

On Monday, May 16, the team traveled to Ogemaw Heights for a 9th and 10th grade invitational meet.

"They did a great job. I am very proud of them today. They fought and fought hard. I don't think that I have seen them with so much determination," Coach Dan Helms said. "We earned a third place finish with seven athletes running. The athletes that participated today are going to be the stars of the future. They all did an outstanding job."

Top performances for GHS: Jacob Robbins, 100m

dash, 12.55, 2nd, pole vault, 9', 4th; Scott Parkinson, 300m hurdles, 47.53, 4th, 110m hurdles, 17.78, 4th; Nick Amaya, 2-mile run, 12:47.12, 4th; Jordan Bulmer, long jump, 17'5.25", 2nd; Wilson, 200m dash, 25.39, 2nd, 400m dash, 56.09, 1st; Wilson, Bulmer, Parkinson, Robbins, 400m relay, 50.99, 2nd; Bulmer, Parkinson, Keanu Quintana, Wilson, mile relay, 4:09.89, 2nd.

Nick Dorn runs for Grayling in a sprint event at East Jordan on Saturday.

GMS girls win league track title

Grayling Middle School's girls track team clinched a conference title last week, winning five events and placing in the top three in several others at Wednesday's League Championship Meet at East Jordan. The GMS boys track team placed fourth overall out of seven league schools but had nine top three finishes on Wednesday.

"We had a very new, young team this year. More than half of our runners were new to track," coaches said. "We had a rough season as far as the weather was concerned. Two of our meets were canceled and we were forced to cancel quite a few practices due to storms and heavy rain. Regardless, the runners worked very hard when they were able to and that's why they were so successful."

"Running the victory lap at the conference championships was a touching

moment for us. Even though the girls team won, we all ran together - the coaches, managers, boys, and girls," coaches said.

Individual placements for GMS at the league title meet on Wednesday included:

(Boys) 4th, long jump, Luke Petrosky; 2nd, 2-mile run, Carson Burmeister; 5th, hurdles, Jake Hinkle; 3rd, 800m relay, Danny Schultz, Hinkle, Zack Cheney, Ty White; 3rd, 800m run, Scout Tobin; 2nd, mile run, Cheney; 5th, mile run, Wyatt Thompson; 3rd, 100m dash, Petrosky; 5th, 400m dash, White; 1st, 2-mile relay, Burmeister, Thompson, Trent Hickman, Cheney; 5th, hurdles, Austin Sheppard; 1st, 200m dash, Tobin; 5th, 200m dash, Ryan Schultz; 4th, mile relay, Burmeister, Thompson, Dallas Johnson, Hinkle; 2nd, 400m relay, R. 1 Tbsp. paprika	1/2 cup orange juice
2 tsp. garlic powder	1 cup barbecue sauce
1-1/2 tsp. black pepper	2 Tbsp. bourbon

Directions:

HEAT grill to medium. Mix sugar and seasonings; rub onto both sides of ribs. Place 1/2 the ribs in single layer on 30x12-inch sheet of heavy-duty foil. Bring up sides of foil; double fold top and 1 end of packet to seal. Repeat with remaining ribs and second sheet of foil. Add 1/4 cup orange juice through open end of 1 packet; double fold end, leaving room for heat to circulate inside. Repeat with second packet.

GRILL, covered, 45 min. to 1 hour or until ribs are cooked through. Remove ribs from foil; discard foil. Return ribs to grill. Mix barbecue sauce and bourbon; brush onto ribs. Grill 15 min., turning occasionally and brushing with remaining sauce.

Prep Time: 15 mins
Total Time: 1 hr 15 mins
Makes 5 servings (about 6 ribs per person)

Alyssa Morley, left, and Carlie Money, right, go after airborne balls during Monday night's game vs. Elk Rapids.

Elks rally for five goals in 2nd half, Vikings fall 5-1

Soccer team ends week with 2-1 overtime loss vs. Rams

On Monday night, the Grayling Vikings led 1-0 at halftime but surrendered five second half goals – two on penalty kicks – in a 5-1 varsity girls soccer conference loss vs. the visiting Elks of Elk Rapids.

Approximately nine minutes into the second half Elk Rapids scored its first goal of the game, converting a penalty kick after Grayling was called for a foul in the penalty box. At the 28:40 mark, only 2:15 later, Elk Rapids converted another PK following a handball by GHS in the penalty box. Elk Rapids scored its third goal on a shot of approximately 25 yards at the 23:34 mark. The Elks added two more goals in the final 10 minutes of the contest. The Vikings failed to score in the second half and lost 5-1, falling to 5-3 in league play.

Grayling lost 2-1 in overtime vs. Harbor Springs – a team that beat the Vikings 8-0 earlier this year – in a home game on Friday night.

"We played tough against Harbor Springs. We moved the ball well up the field but it was a struggle to get good offensive pressure. We took an outside shot which led to a Harbor Springs handball. Alyssa Morley took the penalty kick and scored," Coach Craig Cobb said.

GHS had a 1-0 lead at halftime.

The Rams scored on a chip shot over the goalkeeper to tie the game at 1-1.

Tandy Mitchell battles an Elk Rapids player for possession of the ball on Monday night.

Sarah Goodyear hits the ball with her head during last week's game against the Elks.

"Our defense led the way, staying goal side, jockeying the ball, and playing tough, aggressive defense. They did a great job," Coach Cobb said.

Regulation ended with the

score tied at 1-1. Harbor Springs scored on a direct kick with about five minutes remaining in the first overtime period.

"We played another 10-minute overtime and were

unable to score. I was proud of the way the girls played. They left everything on the field, had fun, and worked hard. The Harbor Springs squad is a team that beat us easily earlier in the season. The girls were not going to let that happen again. It was a great game and (it) could have easily gone either way," Coach Cobb said.

Goalie Ciara Summers had 23 saves for GHS.

Grayling (7-5 overall, 5-4 league) will host Kalkaska in its regular season finale at 5 p.m. on Thursday, May 26.
